

April 2023 D21 DCM Report

- Any requests for Post-Conference Scholarships?
- Attended Pre-Conference Assembly,
 - D21 was well represented at the conference. I am grateful for your commitment to General Service
 - The finance committee met. We are reviewing the creation of an Alt Treasurer position and the engagement of a bookkeeper. Essentially, the duties of the Treasurer are vast and complicated. Distribution of the workload between the Treasurer, Alt Treasurer, and bookkeeper would assure an increase in accuracy, legal compliance, and timeliness.
- I am signed up to attend the Post Conference Assembly-your attendance is rigorously suggested as this will provide the feedback on decisions made at the Conference and more than likely an update on the resignation of the GSO chairman and a trustee.
- Please begin to think about serving as a district officer or committee chair for the next panel. Ask questions of the current people in those positions to get a better understanding of benefits, requirements, and effort required.
- We will discuss how best to invigorate PI/CPC in the district at the April Meeting.
