

District 21 Placer County General Service

February 2024 Report to CNIA 07

2/17/2024

District 21 Placer County General Service held our first monthly meeting of Panel 74 on January 23, 2024. The meeting was well-attended in person and on Zoom. We filled all open positions except CCFAA Liaison, including an enthusiastic and knowledgeable PICPC Chair, Tony A.

We had a new GSR Orientation “Part 1 - Overview” and a special, after-the-meeting session for GSR Orientation “Part 2 – Agenda Items Process.” Part 2 will be repeated in a Zoom meeting on Feb 20 (District login: 223 661 3304; PW: District21 <https://zoom.us/j/2236613304>). We reviewed our Spending Plan, which was endorsed by Panel 72 District 21 members, and will consider buying a District laptop to support our hybrid services.

January 2024 action items included:

- Approval of four scholarships to PRAASA
- Participation in a joint D20/D21/D22 Agenda Topics Workshop on March 10, 2024 from 1:00-3:00pm, both in person at Auburn Fellowship (534 Auburn Ravine Rd., Auburn) and on Zoom (Area login: <https://us06web.zoom.us/j/87863911721>).

Our first monthly General Service Manual Study was held on the second Monday of February via Zoom and will continue each month on the second Monday.

We are working to identify all new/returning GSRs and Group contacts, and everyone offered a hearty thanks to outgoing Panel 72 representatives for their service and “pass it on” assistance.
