

## District 21 – Placer County

### **Motion #2025-01: Re-budget to allow up to \$800 for Webmaster to participate in the 2025 NAATW (no increase to overall Spending Plan)**

#### **Background:**

The D21 2025 Spending Plan was approved in December 2024. During that discussion, it was requested that the body consider making up to \$800 available (as in prior years) for the Webmaster to attend the annual National AA Technology Workshop Conference in person.

A Zoom attendance option is available; however the past D21 Webmaster stated that it is very important to attend this conference in person. There are hands-on workshops and demonstrations and the nature of technology is such that in-person interaction is more productive and valuable than online viewing. To maintain the high quality of the D21 Website, it is very beneficial to network with other AA web volunteers in this setting.

#### **Funding:**

\$100 is currently budgeted for this item. There are unused funds in the 2025 Spending Plan to support an increase to this item without an increase in overall spending. The proposal is to move 1) \$500 from Alt DCM PRAASA line item (as he will not be attending) and 2) \$200 from DCM Winter Assembly line item (unused funds).
