- 1 anonymous at Assemblies. We are doing a good job of supporting GSRs and giving back to our Groups and should prioritize GSR scholarships to Assemblies when at all possible. We still don't have a regular sharing segment on Group issues, but it's hard to see how to fit that in unless the meeting were longer. Group History presentations were great! We had a Service Manual study that was decently attended in Year 1 of the Panel, and not attended in Year 2. Maybe this is ok since GSRs are new in Year 1 and feel they don't need it in Year 2.
- 2 anonymous Thanks! Enjoying service!
- 3 anonymous Honor and privilege to be of service to our district. Thanks for all you do!
- 4 anonymous Maybe there was GSR training at the beginning of this panel, but as someone who started as a GSR mid-panel, I showed up and was totally bewildered for months.
- 5 anonymous I think this panel has done a great job at communicating, welcoming, keeping meetings on time and following the agenda. I am so glad I was able to be apart of it.
