

District 21 – Placer County

Motion #2024-09: Consider funding for District Officers/Appointed Chairs/Representatives who are not GSRs to participate in the 2024 Post-Conference and Fall (Mini-PRAASA) Assemblies

- **Dates/Location:**
 - Post-Conference Assembly – May 18-19, 2024 Fresno
 - Fall Assembly (“Mini-PRAASA”) – October 19-20 in Angels Camp

- **Benefits and Details:**
 - District Officers and Appointed Chairs/Reps have peers and/or Area representatives of the same functions who attend Assemblies. Our District reps can network with and learn from their counterparts and other participants.
 - Increased engagement of District Officers/Chairs/Reps results in increased knowledge about District and Area issues. It encourages and prepares them for continuing participation in General Service in future Panels.
 - Only 3 District 21 Officers/Appointed Chairs/Reps (Secretary, Registrar and PICPC Chair) are not already GSRs, so the increased funding would be limited. Amounts listed below are likely to be lower as they may not all attend, may carpool to save mileage, etc.

- **Cost: Total potential increase to 2024 Proposed Spending Plan includes transportation/mileage (with carpooling strongly encouraged), ½ lodging and registration fees. Attendees are responsible for any costs over this amount (ex: can’t find a roommate, meals, etc.)**

Assembly	Post-Conference – Fresno	Fall (Mini-PRAASA) – Angels Camp	Totals	Notes
Est Registration	\$15	\$15		Typical cost
Est Lodging (1/2)	\$75	\$75		Est up to \$150 for one night
Est Mileage (\$.67)*	\$284	\$150		Fresno up to 422 mi RT Angels Camp up to 222 mi RT
Sub-Total (up to)	\$374	\$240	\$614	(per person for 2 Assemblies)
x 3 attendees	\$1122	\$720	\$1842	
Highest est. cost			\$1842	

*Mileage cost may be less as carpooling is strongly encouraged, or public transport such as train could be feasible. Transportation costs could be slightly higher as costs such as parking and bridge tolls are also allowable. If members carpool, each can claim their portion but the full payment will go to the member whose car was driven.
