

# District 21 Placer County General Service

August 2024 Report to CNIA 07

8/11/2024

- District 21's hybrid business meetings are well-attended with members actively participating in person and online.
- Our "Spotlight on Service" topic for July was the 7th Tradition. Thank you to our Area Chair, Holly J, our Treasurer Sarah V and the Rocklin Fellowship GSR Mike L who talked about the value and purpose of our contributions at the Group, District and Area/beyond levels.
- We continue to work on our District 21 Guidelines update, and members agreed on a policy of having appointed service position holders as voting members as long as there is a proportion of 2/3 GSRs as voting members (to be reviewed each Panel or as needed).
- The draft A07 Spending Plan was distributed and GSRs asked to review and ask for input from their Groups.
- Our Alternate Chair, Tom F, is heading up the planning for a D21 Service Assembly in the Fall. Our PICPC Chair and reps are actively meeting with community groups and providing resources.
- We had a brief discussion about the District's role in contributing to the Area Archives and we are seeking more information about this.
- Members who participated in the Pacific Regional Forum shared their (very positive) experience.
